

Technical Data & Instruction Sheet

PRODUCT BENEFITS

Pulls out deep, set in oil stains

Non Acidic

Does not etch the surface

Will not discolor the stone

RECOMMENDED SURFACES

Natural Stones, Sandstones, Granites
Etc.

AVAILABLE SIZES

Pcs

COVERAGE

150-200 sq. ft. per ltr (undiluted),
depending on the intensity of Stains

TECHNICAL INFORMATION

Form: Liquid

Specific Gravity: 1.12 g/cm³

Appearance: Dark Green Clear
Liquid

Flash Point: NA

Freeze point: 0°C

pH: 11-12

Shelf Life: 3 Years approx. if stored
in tightly sealed container.

Storage: Store in cool, dry place and
away from direct sunlight.

PRODUCT DESCRIPTION

Stain R is a general purpose Stain Remover. It is ideal for the quick and effective cleaning of shiny floor surfaces like polished marble, granite, etc.

DIRECTIONS

Read entire label before using. Use only as directed. Always test on a small area with a 24 hours curing to check desired results. Ensure that that area is well ventilated during the application and the surface is dry. Surface temperature should be between 10°C and 35°C.

1. Add 15 to 20 ml of product per stain
2. Use a cloth or brush to apply the solution
3. Spread Stain R evenly on the stain to cover the entire stain area
4. Cover the stain with tissue paper, cotton, or any other material to make a poultice
5. Allow the product to work up to minimum 24 hours
6. In case of stubborn stains, grind the stone surface before applying Stain R and follow the above mentioned procedure
7. After removal of stain, rinse thoroughly with water until any excess of the product has been taken away
8. If stain is not removed completely, repeat the process for second time
9. After the stone has been successfully treated, it is recommended to protect the stone with either RachTR Top Seal or RachTR SS Sealer
10. In some cases, Stain R would etch the surface, in that case apply the polishing grit to restore gloss
11. Clean tools with water immediately after application and allow them dry in a well ventilated area

PRECAUTIONS

DO NOT USE POWER SPRAYER.
Better results will be obtained using a paint brush, pad or roller. **USE GLOVES, GOGGLES & RESPIRATORS WHILE APPLYING.**

STORAGE AND HANDLING INSTRUCTIONS

May be harmful if swallowed. May cause skin, eye and respiratory irritation. Do not spray. Avoid prolong exposure to vapors. Use in a well ventilated area. Do not ingest. **KEEP OUT OF THE REACH OF THE CHILDREN.** Do not freeze or store above 40⁰ C. Do not mix with other chemicals.

EMERGENCY/ FIRST AID PROCEDURES

Ingestion: Do not induce vomiting. Call a physician

Eye Contact: Flush thoroughly with water for at least 15 minutes. Remove contact lenses, if applicable, and continue flushing. Call a physician if eye irritation persists.

Skin Contact: Wash skin with mild soap and water. Call a physician if skin irritation persists. Wash clothes before wearing again.

Inhalation: Remove to fresh air. Call a physician if respiratory irritation persists.
